Profile

Computer Science Undergraduate with a strong passion for coding. Self-learned coding from online resources such as Udemy and Giraffe Academy. Firmly believes in Growth Mindset whereby everyone can learn new knowledge if they work hard. Sharpened Leadership and communication skills from leading men as a section commander in the army.

Employment History

Free-lance Coding Instructor, Saturday Kids, Singapore

APRIL 2021 — AUGUST 2021

Taught pre-school to primary school kid coding through play pedagogy. (Lessons were cancelled due to heightened alert, so I only went through the training)

3rd Sergeant (National Service), Singapore Armed Forces, Singapore

JANUARY 2019 — JANUARY 2021

Led a team to audit various Battalions.

Education

Computer Science Undergraduate, National University Of Singapore

AUGUST 2021 — NOW

A level, St Andrew's Junior College, Singapore

JANUARY 2017 — DECEMBER 2018

O level, Presbyterian High School, Singapore

JANUARY 2013 — DECEMBER 2016

PSLE, Kheng Cheng Primary School, Singapore

JANUARY 2007 — DECEMBER 2012

Internships

Work Shadowing, Novena Heart Centre, Singapore

DECEMBER 2017 — DECEMBER 2017

Shadowed Heart Specialist for operations and consultations.

Extra-curricular activities

Saints Sports Club, St Andrew's Junior College, Singapore

JANUARY 2017 — DECEMBER 2018

Planned and executed school sporting events such as Sports Carnival and Cross Country.

National Police Cadet Corp, Presbyterian High School, Singapore

JANUARY 2013 — DECEMBER 2016

Gained exposure and familiarity with Singapore's Crime prevention efforts to build a Safe and Secure Home.
